1999-74-T

Sir:

I was supposed to be at a hearing today at 2:30 pm. After talking with George Parker and a couple of the PSC's attorneys notified me that I need to have representation of shippers with me with today.

I was not aware of this and am respectfully requesting that this hearing be re-scheduled for a later date to allow me to comply with your guidelines.

Sincerely,

*Jimmy*  
Jimmy Moore
